Chasing The Real Things

*Between clothing, unclothing
Wedding rings and bass strings
Dreaming and steaming and
Coffee and cigarets*

*Between Green cards and Master Cards
Dubious cards, playing cards
Cleaning and reading and
Riding my jalopy*

*Between hiding and fighting
Biding, take a siding
Feeding and speeding and
All those memories*

*Between locking, unlocking
Bottoms up and shocking
Yearnin' and learnin' and turnin'*

*"I am chasing the real things
Chasing the real things in life
I am chasing the real things
Chasing the real things in life"*

*Between recipes and Bunny Beas
Knives and forks and funny dorks
Lighting up candles and
Drinking some more wine*

*Between blueberry pancakes
Ben & Jerry's and red stakes
Sunshine and moonshine
Some other friends of mine*

*Between high fives and low fives
Laughs and jokes and deep sighs
Working and jerking and
In my own silhouette*

*Between axin' and relaxing
Emmylou and Michael Jackson
milk shakes and corn flakes and
Snowflakes*

"I am chasing the real things
