Down To The River

*I'm going down to the river
to clear my tangled mind
I'll be all by myself
wasting time
And I need this, I know
cuz my heart is so cold
And if the river is wild enough
I'll let you go*

*I'll let you go, go, go
I'll let you go*

*I'm going down to the river
to ease my mind and soul
It will give me relief from my
heavy load
And if I slip on a stone
or trip over my feet
I'll just go where the river flows
And let you go*

*I'll let you go, go, go
I'll let you go*
