## Hey, Mama!

*I wanna sing my song just the way I want  
I'm gonna sing it all the night  
Keep it going, to the skies  
I ain't gonna start a fight*

*"But hey, Mama, don't you cry  
I'm on a quest for a living that money can't buy"*

*I ain't going to school just to to be a fool  
With a piece of paper in my hand  
I'm gonna make a band and play some rock and roll  
Cuz it's an engine to my soul*

*"But hey, Mama, don't you cry  
I'm on a quest for a living that money can't buy"*

*I'm gonna move my body just the way I want  
I'm gonna do it all the night  
Move it, shake it, yeah I wanna dance  
I think I'm gonna go into trance*

*«Hey, Mama, don't you cry  
I'm on a quest for a living that money can't buy"*

*«Hey, Mama, don't you cry  
I'm on a quest for a living that money can't buy"*
