## Waiting For You

*I've been waiting for you*

*All my life*

*I've been waiting for you*

*All my life*

*You are softer than a cotton wad*

*Yet stronger than a lioness*

*And warmer than the sun to me*

*To have a reason to wake up*

*A reason to get out of bed*

*It's not for anyone*

*Not for any day*

*But you know baby, for me baby it's you*

*I've been waiting for you*

*All my life*

*I've been waiting for you*

*All my life*

*You're the music in my ears*

*You're the beat of my heart*

*You're the dearest of dreams to me*

*To have a reason to go out*

*To put on a hat and leather shoes*

*It's not for any one*

*Not for any day*

*But you know baby, for me baby it's you*

*To have a reason to sing a song*

*To put together a line or two*

*It's not for any one*

*Not for any day*

*But you know baby, for me baby it's you*

*I've been waiting for you*

*All my life*

*I've been waiting for you  
All my life  
When I wake up in the morning  
When I shut my eyes at night  
I'm at ease with you by my side*
